

ENGLISH ROYAL PARASITES

In recent weeks it has been jointly announced by the Free State Dept of Foreign Affairs and Britain's Foreign and Commonwealth Office that William and Kate Windsor, the self-styled Duke and Duchess of Cambridge have been invited to make an official visit to Ireland on behalf of British Imperialism.

Irish Socialist Republicans are fundamentally opposed to the ongoing illegal occupation of Six Irish Counties by Britain. So long as that illegal occupation is maintained, the relationship between Ireland and Britain can never be a normal one. While the occupation continues, 'State visits' by representatives of British Imperialism to any part of Ireland are deeply offensive to the Irish People and should be resisted. This is all the more true when those tasked to represent British Imperialism in Ireland are members of the parasitic 'Windsor' family, a family of war criminals and paedophiles, who believe that their Royal title gives them jurisdiction in Ireland. We take this opportunity to remind them that it doesn't. As James Connolly stated, 'Britain has no right in Ireland, never had any right and never can have any right'.

Irish Socialist Republicans will oppose any visit by English royals and indeed any other imperialists to Ireland. The Parasites aren't welcome! We call on all Republican, Socialist and progressive forces to do likewise.

The purpose of this visit, which takes place from March 3-5, is to continue the failing attempts to normalise the ongoing illegal British Occupation and Free State Counter Revolution in Ireland. While here, the Royal parasites will meet handpicked West Brits and pro imperialists, visiting Dublin, Meath, Kildare and Galway. A ring of steel will be put in place for the visit with tax payers in Ireland footing the security and hospitality bill for protecting and entertaining those who illegally occupy our country.

At a time when there is increasing housing shortage and growing homelessness, when the numbers lying on hospital trolleys get larger by the day and when essential frontline services in Working class Communities continue to be cut by the Free State, there can be no justification for funding an English Royal Visit.

CAMPAIGN AGAINST ROYAL VISITS

Irish Socialist Republicans have already demonstrated opposition to the visit. In response to the announcement, the Campaign Against Royal Visits immediately took to the streets. On February 19, **Macradh- Irish Socialist Republican Youth** occupied the Free State Dept of Foreign affairs in protest at the invitation being extended to England's Royal Parasites. A spokesperson for the revolutionary youth movement read a statement that said "The British state is an imperialist state that seeks to conquer all it can for their own gain and while Britain continues to occupy the North of Ireland and has any economic or military interests in any part of Ireland or indeed the world then it's representatives should not be welcomed nor should their presence be tolerated. While this rotten 26 county state created by Britain to serve its interests continues to exist so will Britain's Imperialist interests in Ireland, only through Rebuilding the All Ireland Republic declared on the 21st of January 1919 will Britain's royal visits and its imperial interests and its military presence in the north which upholds Britain's imperial interests cease to exist in Ireland. **Reject British Royals, Reject Imperialism, Reject the occupation.**"

ELECTION 2020 NO VISION
ONLY REPETITION

SO IT'S TIME AGAIN TO DANCE TO
THE PARASITE'S TUNE.

(THEME) "You would have nothing
without me"!!

But in reality you will have nothing
until you **BOYCOTT** the whole circus
anomaly.

Their formula is simple; under perform
under supply. Keep it private is their
cry. Create a state of want and depend-
ency. Division is their ploy, as we fight
over colour and creed for housing,
health services and education. **SHAME-
FULLY** our human standards are sacri-
ficed in the race for orchestrated de-
prived basic needs.

The irony of electoralism; it creates the
illusion while distracting by confusion.
They appear to comply while commit-
ted to deny. Instead of being exposed at
every election they are elevated as all
powerful by destitute poor souls seek-
ing their attention.

For careerists and those with good in-
tentions it pays well but for the ordi-
nary people it's the road to future hell.

Almost a hundred years since the Brit-
ish created this committee in Leinster
House it has served their interests well
but for our people it's been the death
knell. By means of murder and prison
they ousted the **PEOPLE'S GOVERN-
MENT** of 1918 and scrapped the Demo-
cratic Programme of 1919 which must
be enshrined in any future struggle, it
must combine!

Reform has yielded nothing, just the
odd crumb or two to the chosen few.
Reform is the peasant's plea, all wel-
come sounds to our rulers glee. Yes 100
years of pitiful cries has altered noth-
ing only strengthened the legacy of
lies.

Now to summarise; In 2019 elected
politicians presided and profited, build-
ing their careers while people suffered
human misery, pain and despair as a
result of refusal of public funding.

(THEY DON'T CARE!!!)

Deceased people left on trolleys, de-
composing bodies, fluids dripping on
the floor. (NEED I SAY MORE!!!)

159 children waiting on scoliosis sur-
gery for more than 8 months.

A mother sending her other children to
another room while she tried to console
her son in extreme pain.
(IT'S INSANE).

SATURDAY FEVER

By Sean Doyle

C.S.O. Figures; 760,000 people
living below the poverty line.
(IT'S A NATIONAL SHAME).

While the people regardless are
forced to pay **14 MILLION EURO**
A DAY interest on bankers debts.
(DO YOU GET IT YET?)

Pat Neary was financial regula-
tor, his office was aware of secret
director's loans to Sean Fitzpat-
rick.

What should have been state ret-
ribution became a contribution.
He got a golden handshake of
630,000 euro plus a pension of
143,00 per year.
(IS IT COMING CLEAR?).

Over 10,265 currently homeless
of which 3,783 are children (and
politically acceptable that's my
fear). Ian Drennan director of
corporate enforcements 415 page
report was withdrawn because he
could not be guaranteed that his
office would be protected from
litigation. (COSTING THE IRISH
TAXPAYER DEAR!).

Sean Fitzpatrick walked free after his
trial of 126 days costing the Irish tax-
payer millions yet again because vital
documents were shredded. (I CAN'T
BELIEVE I JUST READ IT!)

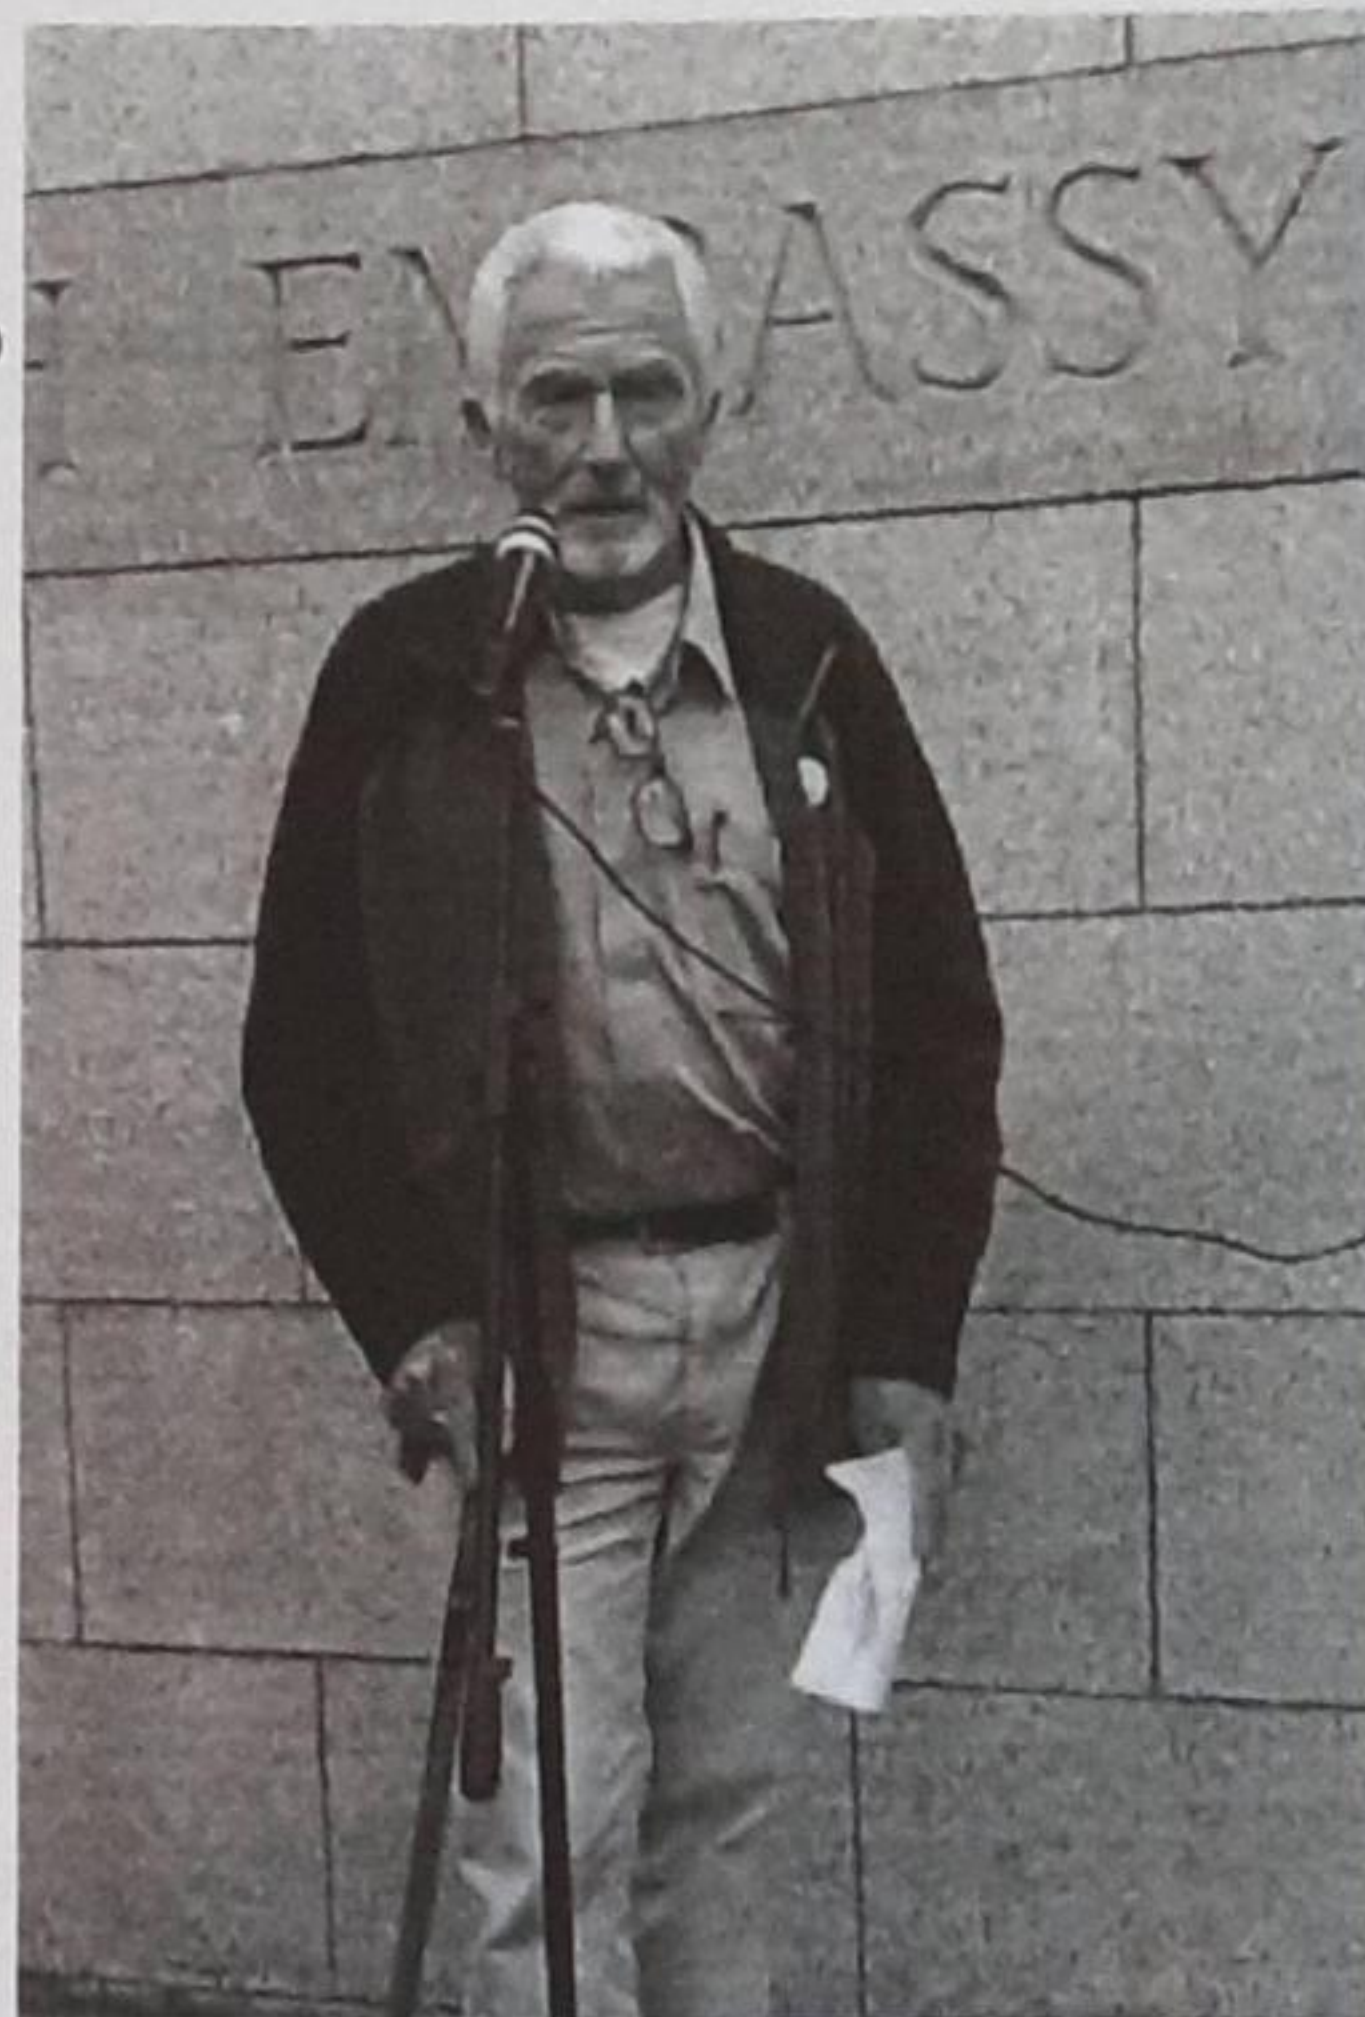

Are you excited to see who your **SAT-
URDAY FEVER** has elected to add in-
sult to injury for the start of another
decade? So the circus is almost over,
the amusements are coming to a close.
The merry go round has ground to a
halt. It's time to stop saying if you don't
vote it's your fault.

Face reality; the system does not serve
me only if I submit to its' **SUBSERVI-
ENCY!**

The electoral system has run its course!

For almost 100 years it has shown you
no remorse. It's extended life beyond
exception is mostly due to speculation;
individual grandstanding for a moment
in Leinster House beamed into every
home in the nation to prompt the sense
of a glimmer of hope. If we had more
like that we might fulfil our expecta-
tions. (ALL WE NEED IS PATIENCE).

Knowing our history from the counter
revolution to today and still keep re-
peating and voting (CAUSES ME
GREAT DISMAY)

We have to succumb to subserviency to
protect and serve the master" is the
valour of the slave.

Surely it's time for the awakening of
the slave and break the shackles. We
need to become self reliant; establish
peoples' councils throughout the 32
counties, build confidence and restore
self esteem, dignity and have faith in
our own ability. Replace dependency
with self reliance, knowing our rights
and fighting every inch of the way with
a shared knowledge and self confidence
due to our experience of betrayal.

The stripping of our resources. (ARE
YOU STILL READING WHILE OUR
PEOPLE AND OUR COUNTRY ARE
BLEEDING?) With a fraction of that
peoples' wealth we could have a roof
over every child's head, a fitting health
service and free 3rd level education for
all.

James Connolly said; "THE FREEDOM
OF THE WORKING CLASS MUST BE
THE WORK OF THE WORKING
CLASS".

If this nation is to be free it will be on
the shoulders of the workers that will
bring its' liberty.
