

QUEER WITCHES
FOR
ABORTION

- A GUIDE TO HERBAL ABORTION IN - IRELAND

We are a small group of people in Dublin putting together a zine about how to have safe and inexpensive herbal abortions in Ireland. We are looking for people who would like to share their experiences, herbal/scientific knowledge and any ideas on self-care and resources in Ireland, to contact us. We want to provide a comprehensive and accessible zine for all who need abortions. Translations are welcome. All contributions will be anonymous unless you want otherwise.

We also want to provide a safer way to access herbs that are difficult to obtain in this country. So if you are in need of particular herbs, please send us an email and we can try to help you get what you need.

You can contact us on
