RECLAIM the AGENDA

Reclaim the Agenda connects and mobilises women to promote feminist activism through education, campaigning and celebration.

We want a world where all women are safe and secure to reach their potential and have an active role in society, and all women can be active change makers and have equal access to power.

We are striving for-

- **A life free from poverty**
- **A life free from discrimination**
- **To have healthcare services that meet our particular needs**
- **A life free from domestic and sexual violence and abuse**
- **To live in a world where women are equally represented as decision makers**
- **To have access to good, affordable and flexible childcare provision**
