"The SDLP is fighting to reduce the impact of soaring bills and prices."

- Adam Gannon

Families are struggling with spiralling food, fuel and energy bills. The SDLP has a plan to tackle rising household costs and put people first. This includes action on fuel poverty, energy costs and extra childcare support.

In Government our Minister has frozen bus and rail fares as we open back up again.

When others walked away from their responsibilities we proposed a way to release £300m into the pockets of hard pressed households.

Adam Gannon and the SDLP will always put people first.
